Kate's Experience

Kate is an exceptional strategic account relationship professional, backed by an impressive track record of over 20 years of client management and administrative experience. Her expertise extends across diverse industries, encompassing small-scale enterprises as well as multinational organisations. With a proven ability to foster and nurture relationships, Kate consistently delivers outstanding results for her clients.

Her main focus is to oversee, manage and complete the day-to-day operations required of our Bioscience client portfolio and specialised team. Acting as the conduit between our international clients and our internal and external team of specialists, Kate ensures all governance, compliance and other tasks associated with client business operations are strategically considered and taken care of as a matter of priority.
