Robert's Experience

As a highly capable consultant, Rob recently joined the R&D Team. With a unique educational background comprising a Bachelor of Business and a Bachelor of Journalism, Rob possesses exceptional writing abilities and a keen eye for detail, enabling him to provide invaluable assistance to our clients in navigating the intricacies of the R&D Tax Incentive application process.

Captivated by the endless opportunity and possibility R&D has to offer, Rob has a desire to help businesses of all sizes and industries to innovate and stay ahead of the curve.
