Brock's Experience

Brock is an accomplished professional holding a double degree in Business/Commerce with specialisations in Finance and Business Management. Leveraging his extensive knowledge and expertise, Brock's invaluable contributions to the R&D team are demonstrated through his provision of insightful and comprehensive breakdowns of client financial expenditures, specifically in relation to the R&D Tax Incentive. Furthermore, he plays a pivotal role as a grant writing specialist, further enhancing the team's capabilities.

Brock's exceptional skills in financial analysis and strategic management make him an invaluable asset in assessing grant applications and compiling necessary financial documentation. With a proven track record of success, he helps clients secure government funding by crafting compelling grant proposals that effectively communicate project objectives, alignment with funding priorities, and potential impact. In addition, Brock's dedication to excellence is evident in his pivotal role, ensuring precise and efficient delivery of regulatory reviews and ATO audit services. His comprehensive understanding of business and finance, gained from his prior experience operating business specialising in medical interview training, further enhances his expertise.

Driven by a passion for innovation and a commitment to helping businesses thrive, Brock remains continually updated with the latest industry trends and regulations. With his unique blend of financial expertise, strategic mindset, and grant writing specialisation, he plays a vital role in supporting clients' success and driving forward R&D initiatives while securing government funding opportunities.
