### Jonathon's Experience

Jonathon, an admitted Australian lawyer, has over 9 years of experience, providing high-quality advice across all facets of the R&D tax program for businesses nationwide. He holds a Bachelor of Laws and Bachelor of Business from Griffith University, and a Graduate Diploma in Legal Practice. As an experienced Senior Manager, Jonathon is well versed in the technical and taxation issues related to the Australian R&D Tax Incentive, including preparing annual R&DTI claims, Defence of AusIndustry/ATO Audits and the development of tax governance strategies.

Driven by a passion for technology and innovation, Jonathon helps businesses transform their ideas into tangible growth opportunities. His tailored, strategic approach supports organisations of all sizes, from startups to multinational corporations, across a broad range of industries including advanced manufacturing, biotech, software development, agriculture, food sciences and more. By fostering a culture of progress, Jonathon ensures that the innovative ideas of his clients are not just realised but thrive in today's competitive landscape.
